“ *My condolence to the family. It times like these that we need comfort from the Bible. The Bible promises that our dear loved ones have the hope of the resurrection hear on earth in the near future we find this promise at (John 5:28, 29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment. The resurrection is possible because God sent his Son to give his life for us. So it is an expression of Jehovah's love and undeserved kindness.—Read John 3:16; Romans 6:23.*

“ *My deepest sympathy is extended to her two boys and the family. I didn't know her personally but I'm deeply sadden to learn her tragic story. We really have to take a strong stand against violence towards women. This should NOT have happened!*

“ I would like to express my deepest sympathy to the family of Kathleen Washington. I will continue to ask god to give you the strength to make it through each day. I have many great memories of Kathy. I will cherish her smile and laughter. When something was really funny, she could not control her laughter. She would make you laugh all over again. Even though she was the smallest, she ate the most. I often wondered where all that food went. I guess it fueled her big smile, laughter and heart.

“ Kathleen Washington aka "Little Bits" was a loving, caring, and geniune dear friend for many years. I've watched her grow in the medical profession. She always enjoyed helping others with no hesitation. I often felt with a beautiful nurse like Kathy by my sick bed I would feel so much better. I can see her wonderful bright smile and hear her laughter clear as a bell. She will Never Ever Be Forgotten. My prayers and sympathy goes out to Malcolm, Blake, and family. Love You Always!
