“ *We the March Family wish to extend our prayers and love to you and your family in the time passing of your loved one. Time will never take away the memories of the times you've shared with your love one... Those memories will remain with you forever. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*

“ Please accept my sympathy for your loss. Death is truly a hurtful thing, and so difficult to come to grips with. We miss our departed loved ones so very much. One day soon we have the hope of seeing them again, because Jehovah God has promised that there will be a resurrection. Acts 24:15. At that joyous time many in the memorial tombs will hear the voice of Jesus and come out." Daniel 12,2 also reminds us; "That there will be many of those asleep in the ground of dust who will wake up." May you be comforted by the sure hope of the resurrection, and may your precious memories of Katie be a source of comfort to you as well.##imported-begin##R Johnson##imported-end##
