“ *To the Family of Kay Baucom, I am believing God for his promises to be there and to never leave you, nor forsake you and your loved ones. When you work together in a close knit community as SSA has proven to be for me and Kay, you become more than just co-workers and/or friends, you become family so to speak. You talk about your spouses with one another. The milestones in our children's lives, the proms and the graduations they experience as well as other school activities they attend. You even talk about the young women and/or men that are in our son's and daughter's lives. In all we have shared so much together. Although this chapter in the book of life has come to an end for my journey with Kay, just knowing that God Still Lives and sits High on His throne is what we all can find comfort in. Trusting Him and knowing that Earth has no sorrow that Heaven can not cure. Be Blessed Co-worker and Friend Wendy King###imported-begin###Wendy King###imported-end###*

“ To Mr. Earl and Everette: Ms. Kay was important part of not only your lives, but my family's lives as well. She touched every person that she came in contact with. Her smile, positive outlook, and her sassy humor made her the unique woman that she was. I will always treasure the time that I had with her and so will the rest of my family. We will miss her so much, but we know that she will always be with all of us in spirit. We are here for you and we love you.##imported-begin##Stacey Hicks##imported-end##

We know these times are most difficult, but as dutiful Christians, we recommend that you keep trusting our Lord who will give no more than you can possibly bear. “ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Dear family, I am so very sorry for your loss. May it be a comfort to you to know that Jehovah God has a purpose made possible through his beloved son, Jesus Christ, to resurrect those who have died to a peaceful, paradise earth. This was his purpose from the beginning when he created Adam and Eve and placed them in the garden of Eden. That is still his wonderful purpose for the bible states at Psalms 37:29, "The righteous themselves will possess the earth, and they will reside forever upon it." Soon, according to Isaiah 25:8, the Sovereign Lord Jehovah will swallow up death forever, and certainly wipe the tears from all faces.' So death will soon be gone forever. May you be comforted by the bible's promises, as well as your precious memories.##imported-begin##R Johnson##imported-end##

“ Dear family and friends of Kaybertha. I am very sorry to hear about your loss of a loved one. Death is never an easy thing to go through. The bible tells of a time when there will be no more death, sickness, and pain. These will be things of the past. Rev 21:3-5.##imported-begin##A. Jones##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
