

## Kayla Marie Polley

November 20, 1999 - November 27, 2022

On November 27, 2022 at around 3:30 p.m. KAYLA was tragically taken away from us in a car accident.

At the time of her death, she was employed at Sinai Hospital doing what she did best which was helping others. Her heart was so big when it came to that.

Her love for animals was like no other, since a little girl her dream was to be a veterinarian. Our home was always filled with pets thanks to her. But the apple didn't fall far from the tree because she was just like her mother.

She leaves us so many memories but the one that stands out most was when Kayla was around 6 years old. We were struggling financially and she must have sensed it and bought her piggy bank and told me to take it because she could wait to buy her DJ Khaled CD later. Her Heart was big!

Kayla leaves to cherish her memory: her mother, Sarai Ortiz Phipps; father, Kareeb Phipps; sisters, Christian Polley, Rickelle Polley and Kaiya Phipps; brother, Kareeb Phipps; grandmother, several aunts, uncles, nephews, cousins; longtime boyfriend,

Kyree Patterson; her dog whom she truly loved, Hollywood; and a host of other relatives and close friends too numerous to name them all.

As we celebrate Kayla's life, we will rejoice to have had her in our lives for 23 years! There are so many to mention at this time for their out-pouring of love and for everyone reaching out. We truly thank each and everyone of you from the bottom of our hearts. This has been so hard but one I can say is, I now know we have a village!
