“ *I was an old friend of Kedrick back when we were teenager's. We lost contact back in 2000 and I had been trying to find him for years. I was so devastated and socked to find out that he had pasted away, and then at that to know that his death happened back in 2007. Kedrick was a wonderful, nice, and, great guy that will always be truly missed. My prayers, and condolences go out to his family. May God keep and strenghten you all and give you peace each day as the years go by. God bless you all. Sherita Burnette and family*

“ To the family of Kedrick, I am so sorry for your loss. you have my deepest sympathy. Death is truly a painful event to go through, especially when a person dies so young as your Kedrick was. This is not what God desired for the human family. This pain and suffering was never a part of his love. The bible says he will soon rid the earth of all sickness, tragedy, and death, and by means of his son Jesus; he will bring many back to life in the ressurection. John 5:28,29 tells us this, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out to a ressurection . Imaginde being reunited with Kedrick again in paradise conditions. I hope that you receive the comfort that you need from out heavennly father, Jehovah, to help sustain you in the days ahead.###imported-begin###R Johnson###imported-end###

“ I would like to express my condolences to Kedrick's family and friends. The untimely loss of your dearly loved one can be very painful and difficult to bear, that's why the Bible calls death an "enemy." But please be assured that God promises to do away with that enemy and all the pain it causes at 1 Corinthians 15:26 and Revelation 21:4. Then "many of those asleep in the ground of dust will wake up"-Daniel 12:2. May your study of God's Word of Truth comfort your heart.##imported-begin##Valerie Johnson##imported-end##

“ To my dear friend, Kedrick... I just can't believe that it's been A Whole Year! Today marks the day that me and you last spoke to each other... I could remember the day as if it were yesterday. It was a cold and rainy day to be exact. You were at work and you was telling me that you and your Co-Workers had just have a very large lunch from Southern Blues! But most importantly, you were contemplating on whether or not you wanted to go to work the next day... Boy, I wish you've never went my friend... I never thought in my wildest dreams that would be the last time I would see or hear from you again. Kedrick, I just want to let you know that I really cared for you and I miss you immensely! I know that Father God needed you more... May the Lord continue to bless your family during this difficult time!###imported-begin##Montess Jackson###imported-end##

“ Kedrick a.k.a "Swift Stylez", I wanted to wish you A Would Be Birthday of 32 years of Life! Most importantly, I wanted to let you know that I missed you so much and still think about you everyday. Sometimes, I wonder, how far you would have come in your Music had you continued to live... Ultimately, I know that you are with Father God in Spirit and expressing your Gifts in a "Divine Way"! I still pray for your family, hoping that one day, they too, would be in your company again under our Loving Father God. I just want you to know that I still love you and pray that I, too, will see you again, also... May God continue to bless your family!###imported-begin##Montess Jackson###imported-end##
