“ There's not enough words to express this great loss. I've known Keith for well over a decade and we have had many good times and laughs. It warms my heart that we were able to catch up and have more laughs not long ago not knowing that this would serve a forever memory of who he was and our friendship and genuine love. You spoke of your children and grandchildren with such pride with a radiant glow. Farewell my friend, but never Goodbye... we will meet again and have more good laughs... you made such a legacy to be proud of. Job well done. I love you and I'll miss you my friend.
