“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To the family I offer my most sincere and heartfelt condolences. Death is such a tragic and painful loss in our lives, It's something we can never come to grips with. It's like an unreality that we cannot see our loved one anymore, and it hurts even more when we lose someone so very young. I know because I too lost my son 10 years ago when he was only 29, so I truly know what you're going through. What comforts me is that through my study of the bible I know without a doubt that we have a loving heavenly father who truly caares about us, and because of his deep love for mankind he gave us his only-begotten son Christ Jesus so that we could have an opportunity for eternal life. Jehovah promises that if we are obedient to his word, and exercise faith in the ransom sacrifice of his son, Jesus we will see our loved ones again by means of the ressurection. Acts 24:15 promises, :And I have hope toward God that there is going to be a ressurection of both the righteous and the unrighteoius.' So millions will be raised back to life, and the bible shows that they will be raised to peaceful conditions. I would like to share this wonderful hope from the bible with you so please feel free to contact me at my e-mail address. May you find comfort in his promises, as well as in your precious memories.##imported-begin###R Johnson##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
