“ *First my condolences to the family, loss hurts but unexpected loss is devastating. I pray that in this time of pain and sorrow, you can find comfort in the fact Keith was such a great man and person. I know from my conversations with him he loved his family a great deal. I wish your family peace and much love, you will be greatly missed!*

“ Hey babe.. I'm just at a blown state right now. When I got the phone call my heart dropped. You was one I definitely looked up to and I am greatful for everything that you have shared with me, you were a great mentor....Dag Keith. But I know what you are in a better place sharing your love and craziness with others. I know to be absent from the body is to be present with the Lord. Hold my spot up there. I still can't believe it.... Until we meet again... Oh yeah kiss Marcia for me and tell her I love her and miss her.

Love you always,

Nikki H.
