“ I will always remember K. J. from being at Bittie' when she was his babysitter and the when he was attending VCU across the street from Dominion Place where I live. If I was out front and he was late getting to class he would say Hi Aunt Helen I love you and then if He had the time, He would come across the street and hug me and tell me he love me and say be good. and I will always cherish this especially at this time. I know we all loved K.J. But God loved him best. So Tammy, Keith and J.T. My prayers and thoughts are with you and the family. Love always Helen D. Jones
