“ *Dear Bobbie Alston, Please accept my sincere sympathy on the loss of your beloved husband. At such a difficult time you may wonder why good people die. Gods word the Bible lets us know that as imperfect creatures we have inherited sin and death. There is a wonderful hope for those who have fallen asleep in death. It is the hope of the resurrection. This hope is brought to our attention at Acts 25:15. Also we have the account of Jesus resurrecting his friend Lazarus. What joy Lazarus' sisters experienced when Jesus raised their brother to life!. (John 11:38-44) I hope you will read these scriptures in your copy of the Bible and that they will comfort you.###imported-begin##Gail Green###imported-end##*

“ Hello Family & Friends, I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at Revelation 21:3,4 where Almighty God says that he is going to wipe the tears from our eyes and death will be no more neither will mourning nor crying nor pain be any more. The Bible also promises that we will be able to see our dead loved ones again by means of a resurrection. (John 5:28,29) It is my hope that you will be comforted by these scriptures.##imported-begin##Sophia Briscoe##imported-end##

“ Dear friends and family, I am so sorry to hear about the loss of your loved one. When we lose someone that is dear to us it can leave us feeling so empty inside. At times like this we may need some encouragement. I have found that the finest basis for encouragement comes from the Bible. A relationship with Almighty God Jehovah can help us to cope with the loss of someone that you love. Never under-estimate the value of prayer. If talking to a friend can help, how much more will pouring out your heart to the God of all comfort help you. Notice what the bible says at Psalms 55:22....Throw your burden upon Jehovah himself,and he himself will sustain you. Never will he allow the righteous to totter. I hope that you can find some comfort from these scriptures. Take care.##imported-begin##Ava Norton##imported-end##

“ To the family and friends of Kelvin, please accept my deepest sympathy. When this "enemy" strikes, it's never at the right time, no matter how old or young. Please be assured that our loving Heavenly Father knows your pain. He too, lost his son, Jesus. However, he resurrected his son back into the heavens. He promises to do the same for those we have lost in death. Read John 5:28,29 where Jesus says, "Do not marvel at this, because the hour is coming in which all those in the memorial toms will hear his voice and come out..." Also, Jehovah promises to "actually swallow up death forever" according to Isa. 25:8. This is something we all can have hope in and look forward to in the near future. May you find comfort in God's promises.##imported-begin##McNeil##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God's original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, "Even time indefinite he (God) has put in their heart," says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn't it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##sorry2 hear##imported-end##
