“ *My eyes filled up with tears as I heard the news.
It never occurred to me how much I could lose.
I find myself wishing that it wasn't real.
Every time I think about it, pain is all I can feel.
Tears fall from my eyes; I can barely see,
But my heart tells me that he'll always be with me.
I'm glad he feels no pain now; he lives in a perfect land.*

*I lie in bed and cry at night,
And I don't feel any better in the morning light.
I will love and miss him forever,
Until the day we are again together.
Together in that perfect place above,
Filled with caring, sharing, and love,
But until that day comes--I will wipe my tears away
And hope to see him again someday.*

*Words cannot express my feelings, just know that you will always
be loved and remembered in my heart.*

“ Kelvin you are truly going to be missed by this family. Smokey sang a song that won't leave my head since you've been gone.

Really Gonna Miss You

*Really gonna miss you,
It's really gonna be
different without you...*

*Time is gonna be hard and slow
For the rest of our lives
We are gonna be thinking about you*

*Time came when you had to go
We'll gonna miss you Kelvin
We'll gonna miss our buddy and friend*

*We promise our love for you will
never end*

*In your finest hour we were all praying for you
without you things won't be the same,
but there's a higher power we answer to...*

*And you heard him calling your name....
Really gonna miss you Kelvin.*

*LOVE YOU FOREVER
Aunt Dee, Seawn, Maurice*
