“ Kendra was a diligent worker and spent her life devoted to family and her occupation. She was a beautiful mother and encouraged her children to trust God and keep walking in faith. Kendra lived with a vibrant spirit and a heart that felt deeply. She carried within her a warmth and strength that touched those who truly knew her. Her laughter, her compassion, and her unmistakable presence will be deeply missed and forever remembered. Find solace in knowing that many love and are in sincere prayer for you all family.

“ Kendra and I go all the way back to Huguenot! I still remember you making me laugh and always smile in the cafeteria during our High School days. You always brought a smile to my face. You and your brother (Kevin) always cheered everyone up through your humor. Will miss you so much Kendra. May you rest in peace. Always in my heart. Praying for your family, especially Kevin, during this difficult time.

*My deepest condolences,
Theresa (Cuthrell) Anim and Family*

“ Kendra I'm going to miss you sis! I enjoyed working with you when we worked overnight together. We built a sisterly bond. We've cried together and we sure did laugh together. We would call each other and say "sis what we eating tonight and like always we both would say jamaican. Lol. We kinda lost communication when you moved to another group home. I looked over our text messages yesterday and couldn't do nothing but laugh cause girl we used ti be cracking up..But know you were my best partner to work with and I'm forever grateful for our bond. Love you Sis!

Kevin and Young men, I'm so sorry to hear of Kendra's transition. you are in my heart and Kevin I am praying your strength and your journey knowing that your Twin is no longer with you, but she will always be with you in spirit. It's a trauma losing a part of one's own identity, body, or soul. Kendra will always be with you; it might not be here on earth but always she's not going to let you fight this alone. seek help if you need it, don't try to do this along. i know you have a support system, and like I told you, I'm here if you need anything.
