“ *Big Cousin Kennard,
I remember that whenever I saw you I asked my mother could she
buy me clothes like you. I was only about 3 or 4 but I wanted to
wear jerseys just like my big cousin because I wanted to be just like
you. You used to laugh at me all the time. Rest in Peace big cousin.
I love you!*

“ Kennard William Hailey you were/are and will always be my baby; my little cousin! My fondest memories of our times together are when you lived with me at Grandma Arlene’s house when you were just a little boy. We had the best times growing up! Even though I wasn’t much older, I protected you and took care of you like you were my own. I remember and enjoyed our little “life talks” that we used to have as you grew into a young man and began to experience life’s obstacles. I remember the impromptu calls and visits that you made just to say hi! No matter what, you made time to check in and let me know that you were okay. You were a great inspiration to my kids and they will keep your memories with them forever.

So, little cousin, I will not weep or selfishly want for you because I know that you are no longer suffering. I give thanks to God for allowing me to have you in my life. I love you always Little Kennard and may you rest peacefully in our Heavenly Father’s arms!

Loving You Always,
Trice

“ ” And when the last teardrop fall , I will be holding on , to all of our memories , and all of what used to be . ” I never thought that I would have to say goodbye to you so soon . You watched me grow up and helped shaped me into the young adult that I am today. It hurts so bad to know that you wont be here with us physically, but I know that in my heart you will ALWAYS be there. I LOVE YOU Kennard. Keep watching over us. God must have needed you more than we did . Rest In Paradise , xoxo MIA

“ *Kennard, you were/are and will always be my baby; my cousin! My fondest memories of our times together were when you lived with me at Grandma Arlene's house when you were just a little boy. I took care of you and protected you as if you were my own. I watched you grown and mature into a wonderful young man. You made me proud to be your family. But what I enjoyed the most were our little "life talks" that we used to have as you grew up and began to face life's obstacles. I remember the letters that we used to write each other and how you always asked about you little cousins Jamia, Dereck and Jordan. The unexpected phone calls and visits from you, just because.*

So, little cousin, I will not weep nor want selfishly for you because I know that you are no longer suffering. I will honor you memory and thank God for allowing me to share in the life of such a wonderful person. I Love You Kennard William Hailey and may you rest peacefully in our Heavenly Father's arms.

*Your Cousin,
Trice*

“ When God says come home, its a time of eternal rest. I'm grateful for the times we had. I'm also grateful to have called you "Cuz". I know that death is hard, especially that of a loved one, but now, Kennard, you can sit back and sing with the Angels. No more wrestling with life. No more worries. Enjoy the Father, The Son, and the Holy Spirit. Then know in your heart of hearts that Mommy, Thelma, and your Dad (Big Kennard) are right there with you in Heaven. I love you, but God loved you best. **YOU WILL BE MISSED.**

“ *I am so sorry about the lost of your loved one in death. May precious memories and the promise of the resurrection bring you much strength and comfort.*

At John 11:25, Jesus said: I am the resurrection and the life. Everyone exercising faith in me, even though he dies, will come to life.

May this hope bring your family comfort and peace. With deepest sympathy.

“ *Loosing a loved one is a hard thing to deal with especially when its of a person so young. Jehovah God knows all about John 5: 28,29 Jehovah is telling us " do not marvel at this (death) because the hour is coming in which all those in the memorial tombs will hear his voice (jesus) and come out." One day soon you will be able to be reunited with Kennard again! What a wonderful day that will be. Along with the ressurection of our loved ones Rev. 21:4 brings out that " and he will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore, the former things have passed away." Jehovah God not only promises us that our loved ones will be ressurected but that death will be done away with. I hope I could be of some encouragement to the family during your time of grief and seek the scriptures found in God's word the Bible for relief and hope for the future as well.*
