“ *Kenny-Boo was always nice person and decent human being, he was well liked by anyone he came in contact with. His untimely passing has come to a great shock to us all, I am so happy that he had an opportunity to meet, hold & dote over his beautiful granddaughter Princess Ja'maih Burnette. I am so thankful because now we can share with her how much her grandfather loved her and wanted to give her the world. So with heavy hearts we say farewell, your gone but will never be forgotten...*

*Love Always,
Angela Burnette and Family.*
