“ Where do I start man we started off as dorm friends then eventually we became roommates and close friends since then. From you dancing all night keeping everyone up from us playing games all night making noises. When i went back to VA we still kept in contact and made sure we talk and we stayed running 2k and i was just waiting for you to get 2k21. You stayed supportive of me and my football career and would be the first to link up when i was around. I miss you fool. You will always be in our hearts bro

“ Kenny, my oldest brother, was always there for me. He was always smiling when we would video chat, always encouraging me to do better, and laughing with me at the stupid mistakes that I made, but he never judged me. He gave me the best advice, and I'll always keep his words with me. I love you so much Kenny, I'll make you proud, I promise ❤️

“ Kenneth “Kenny”, was one of my daycare children and he always thought that he was the second in command at my family daycare. So I told him one day that OK he could be one of my supervisors. Lol he will come in in the morning tell me that I did not cook enough food for everyone and then work actually help me cook more. I love Kenny just like I loved all of my kids and my heart is hurting right now. I am praying for you all always. ❤️❤️
