“ *May I express my condolences to all. Time is going by fast, it will soon be a year in a few months since Mr. Kenneth died. Death breaks the circle of life when it hit. Mr. Kenneth had a great reasons to live, his wife & his girls. Soon all of us will be able to live forever as the bible says at Rev. 21:3-5, no more pain, tears of sorrow, death, "ALL THINGS WILL BE MADE NEW". I hope these few thoughts will prove to be uplifting to read. Sincerely, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##*

“ *My deepest sympathy during your time of sorrow. May you cherish his memory. The Bible has words of comfort at 1 Corinthians 15:26 states, "As the last enemy, death is to be brought to nothing." God has promised to do away with death and the pain that it causes. May these words be of comfort to the family.##imported-begin##Mildred##imported-end##*

“ My deepest condolences to your family for your loss. Death is such a bitter pill to swallow, but at present it's something we have to contend with. But there is a wonderful hope we have to look forward to, and that's the hope of the resurrection. The apostle Paul gave us this assurance at Acts 24:15 he said, "And I have hope towards God that there is going to be a resurrection of both the righteous and the unrighteous." So all those who have died will one day stand up again in life. The prophet Daniel himself wrote about this at Daniel 12:2 he says, "And there will be many of those asleep in the ground of dust who will wake up." And as for Daniel himself; notice what God says to him at Daniel 12:13 he says, "And as for you yourself, go toward the end; and you will rest; but you will stand up for your lot at the end of the days." Imagine family, being on hand when your Kenneth opens his eyes once again. This is Jehovah's promise to us, a promise from a loving father who always fullfills his word according to Isaiah 55:11. So please find comfort in this wonderful hope, and may your cherished memories help you to cope with your pain.##imported-begin##R Johnson##imported-end##
