“ *My deepest condolences and heart-felt blessings to Ms.Geri and her family during their time of bereavement. I remember attending Dunbar for my freshman year and because I knew Kenny from our neighborhood, was surprised that he was a junior, there, during that time. I had developed the biggest "crush" on him, but he treated me as if I were one of his younger siblings. I had just friended him on FB and had been communicating with him, when I heard of his early demise. I will truly miss him...He was really good guy...RIP Kenny*
