SK

*“ In the 9th grade English class where we first met I made a paper air plane and flew it to her. She wrote on it, 'Im going to rip it up". Then I said if you rip it that means you like me. She said I guess im ready to leave it alone then she said with the most beautiful smile just playing... That's when I fell in love with her I think about her every single day...*

*“ We the March Family and Staff wish to extend our deepest and heartfelt sympathy in the passing of your loved one. Our prayers go out to you and your family in your time of loss. We know and understand that you have received many expressions of love and we will continue to lift you up in prayer. May the memories you cherish of brighter and happier days help to ease your sorrow and comfort you always.*
