“ *My condolences to the Gresham family. Kermit, Thank you for schooling me and getting me to work on time. It was a great pleasure to work with you. Thank you for all the lessons and the things you taught me about life. As I look back, and as I grow older, each of the things you forewarned me about were true. And I still hold on to those lessons even today. May you rest in peace and prepare for a new dawn.*
