“ *Crawley you came to us in December last year and I never thought you would not be here, at Autumn this December! You had that Philly attitude that I loved cause with my Jersey attitude we was always fussing at each other! But you never let me down by the end of each day you would always come by office and compliment me or apologize for acting up but not before rubbing your stomach and say "I got gas!" Just so you can here me say "get out my office n laugh" as you walk off laughing! You know you left us and i had to struggle with whether to write Justan at Parris Island that his Boss died. You two really got along well n he always said you were the coolest Boss! But i did let him know. Crawkey you will be missed by your Autumn Care Family! To your mother, Ms.Pearl we pray for you and the rest of his family for God to give you all strength to get thru this transition!*

*Sincerely,*

I miss you but you are with the Lord in paradise a place I hope to see when my number is called. I'm crying smh you and my cousin save a seat for me. Out last convo was about him who would've thought while I was attending the funeral I would get the call that you were gone too! Its still so unreal... Rest in peace Crawley you kept us all above water even when we messed up*

Having a good day

“ Me. Crawley I'm still lost for words, once I got that phone call saying you were gone with our father above I didn't want to believe it but I knew they wouldn't joke about something like that. I had just got off work and was in the parking lot of Walmart and I just sat in my car and cried because I had just saw you that Monday and when I got off and said goodbye I didn't know that would be a forever goodbye. Them 10 months that you been my manger, wish we all could've just 10 more or longer. You was a great person/manager. I'm gonna miss all the days that you joke with us and call everybody somebody else's name lol we couldn't do nothing but laughter with you. It's gonna be so different without you, not seeing you walk thru that kitchen door going in your office eyeing everybody. Friday when I went to work I kept looking in your off yo see if you was at your desk and all I could do is walk out the kitchen and cry. Your since of humor, your attitude, your jokes, your smile, you giving everybody a chance, your nice ways, everything about you will be miss. But you as our dietary manager you can't be replace. Rest well Mr. Crawley you don't have to suffer any longer. Your are in a much better place now with our Heavenly Father above. You wasn't ready to go just yet and we wasn't ready for you to go either. Watch over your family and friend and your Autumn Care family as well. You will be forever missed but never forgotten!!!!!!!!!!!! Love one of you dietary aide
