“ I remember how we met. Our families just moved in the neighborhood within days of each other. Y'all actually moved into our house, so I came and see who stole our house. LOL I knocked on the door and you stuck your head out the window and I said you stole my house. Then you stole my heart! And we've been friends ever since. Jax+Burger. Lol I'm going to miss you so much. Condolences to OUR Blackmon family, OUR MM family, we've lost one of the good ones. (((Hugs)))
