“ Ever since the day I first met Kevin, he has always been a ver caring and kind person. I first met Kevin through John (at Wal-Mart) when I was on light duty from a work related incident. Kevin immediately inquired about how my health and if he could assist me in any way. He was more than a manager, he was a friend, always going the extra mile for everyone he came in contact with. He spoke with great love of his wife and children, for we discussed our families every time we saw each other.I could be having a really bad day and I would see Kevin coming down the escalator and he would smile at me and say,"Come on it can't be that bad.."It always made me smile when he did that. Kevin will be dearly missed by all of us at work, for we are all part of one big family there and now a piece of it is missing.My heart is filled with sorrow as I send my deepest sympathies during this sad time. I will be praying for your family, for peace, strength and healing.Trust in God and know that Kevin is with the Lord. God Bless you all!##imported-begin##Mrs.Paula Painter(Towson Wal-Mart)##imported-end##

“ I am very sorry for your loss. I hope this scripture give you much comfort. Revelation chapter 21: 4, "and he will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away." May God strengthen you and your loved ones. Sincerely, C. Bain##imported-begin##Charlotte Bain##imported-end##
