“ *I Miss You So Much I Wish We Could've Spent More Time Together As I Got Older. I know from now on I wouldn't have a choice but to think about you everyday. Its a hard pill to swallow to know that I'll never see my dad again. It hurt a lot to see you in that coffin but I know you would had wanted me to stay strong. I don't like the fact that your not here with us anymore but I do like the fact that I now have a angel to look over me. I promise to be there and take care of keymani like u took care of me. Im so mad I didn't get to say my last good byes to you. The morning you died was of a day I had off and that afternoon I had planned on seeing you but before I left the house Bry called me and told me you were gone and I'm still in shock to this day. Dad I know your watching me from heaven and I promise you i won't let you down. This is my first message to you and I promise you this is not the last. I love you dad , your oldest son Bubba:'(*

“ Our condolences to the Johnson family. Kevin you will be greatly missed as a friend and a Chief. You were an asset to the 192nd Fighter Wing Aircrew Flight equipment. You paved the way for so many of us. If it wasn't for your leadership skills and abilities a lot of us wouldn't be here today. It's going to be really hard to attempt to fill your shoes. Your mentorship, leadership and friendship meant a lot to us and we will always keep that with us. Until I see you again my friend, rest easy. TSgt Lila Small/Russell Small
