“ *Just a few words to let you know that no matter how great your grief is at this time, we are there praying and holding you up . You may not see me there, but my every thought and prayer is for you and your family. You know as I know -- God is good, he picks you up and comfort and heal our aching hearts. He strengthens just when we could not even bear to take another step. And he sends loving angels (we call them friends)to uphold us in prayer. Be blessed*

“ Thank you Kevin for being a model example to the men. Your work ethics and skill were unmatched. We, the men, the moving jobs won't be the same without you. We feel your loss deep, and everytime we go on the job we thank about you...But we thank about your mother and father who made you with the help of the creator to have you with us for a little while. Then we think of your children, its important that they live their lives in your spirit, with your ambition and dreams. And its very, very important that they tell their children about you, their grandfather, and the kind of soul you were. Your immortality lives in them and through them..
