“ *My sincere condolences to the family, and great regrets for our loss. My apologies for not being there with you, and my friend today, only because i have an international flt later today. Kevin and I met during the Bendix days while working in Dakar (Africa) and later at JPL (CA). Kevin's spirit for life was as large as he was. Even following his incident Kevin was still upbeat. He and I would often talk, and when I would come to town we would have good conversations about current events and reminisce and laugh. Kevin was a good guy, he was my friend, and i will truly miss him, and thankful that he was part of my life. To my friend MaddDog" "Hafa Adai, Brown" much love and peace be with you.*

“ Condolences to Kevin's family.  
Kevin worked with my Dad, Albert Atkins, in Africa and they became good friends. My mother was also fond of him. I had the opportunity to meet him later and found him to be as friendly with a great sense of humor.  
I'm praying peace and comfort for the family during this difficult time.

“ We are so sorry for the loss of Kevin. I remember years ago when he took us to the Pfunk concert at RFK stadium; and protected us when someone threw a smoke bomb in the crowd. Kevin told us to get under the seat and made sure we were safe. That was the kind of grace he had. I look forward to seeing him when Jesus calls the dead to life again.
