“ *I am writing on behalf of the burrell family, Kevin was a cherished part of our church family, Since the early 80's, he was kind, wise and a great person and family man. I will continue to work on our plans to help students with their education I was inspired by your goals to help others. Although our business plan has been paused I will continue to build and grow that dream Your plans would have flourished and helped thousands. I am shocked by your loss and I could not think of how to align my words with the loss we have felt in our heart. We love your wife and wonderful kids And we offer condolences and prayers*
