“ *Saying goodbye is so hard to do, especially when it's someone you love and care for. My DeeDee, we started MTA together 20 years ago and went into to bus supervision together. There's not many events in life that we haven't shared with each other. All of the laughter (oh how we laughed), tears and everything in between will never be forgotten. You watched me grow and helped a lot with that process along the way. You were the sweetest person I've ever met and there will never be another like you. Rest In Peace my friend. Until we meet again.*
