“ To the family, I offer my sincere sympathy. When we experience the sorrow associated with the loss of one we love, it pains us like no other. God's Word, the Bible, offers us comfort. At John 5:28,29 he assures us that "all those in the memorial tombs will hear his voice and come out." At John 17:3 he also tells us what we need to do to ensure we are witnesses of this great event. I offer you an opportunity to discuss these wonderful promises in detail. Please contact me.###imported-begin###Gwen Winston###imported-end###
