“ *Here we are over a year later, and there truly is not a single day that goes by that you do not cross my mind. My best friend, my sister, my loss in life is so deep, bc you meant more to me then what I even knew. Somehow I have to continue, but i still can't imagine life without you hugging me, greeting me with that smile, just being you. Girl, my heart, my soul just hurts sometimes. I miss you too much! I love you!*

“ *I was deeply saddened by the news of Kierra's passing. We use to work together at OBC & OA. She was such a wonderful outgoing person. I can still picture her big smile. She was such a wonderful person. She will truly be missed. My thoughts and prayers are with her kids, mother, father and the rest of the Jones family. May God give you peace and understanding during this time. Kierra got her wings. RiH Kierra*

“ My lovely Aunt Keke, I will miss you dearly and continue to honor your life and follow your academic success. Just so that you can see me be the doctor you always wanted me to be. I knew that you believed greatly that I could do it so I'll prove it to you. I will also, watch after Imani, Nasariaa and Nadia for you even though I know you still are. I love you so much you were truly like my second mom and I love you so much that words can't even begin to begin to express how much I love and how much I'll miss you. I'll see you next time.

*Love always, Kaliyah Harkless*
