“ *You have my deepest sympathies for your loss, the sting of death is most painful. It's saddening we have to lose loved ones all the time, and that's because we've inherited sin (Romans 5:12) but we've received a great gift that gives us a future and a hope (Romans 6:23).*

“ Those we love leave us gifts in the form of memories that no one can take away. Wisdom that we can still recall. These are the things that we will cherish forever. May the family continue to look to Almighty God for comfort during this most stressful time since "He is close to the brokenhearted. He saves those who are crushed in spirit Ps 34:18

“ Dearest extended family,  
Please accept my sincere condolences during your loss. Kimberly was a beautiful funny and lovable individual. There is no one that can take her place on this earth or in heaven. She had a witty sense of humor that would have you thinking, is she agreeing with me or making fun of me, her humor was her own. She will be truly missed by many. You would think she was born in a tropical country, her clothing was always bright, bold and beautiful. She was the color of love. Jasmine, Carolyn and Kenneth and the rest of the family and friends. I wish you much love from God above and I am praying that the memories you have will sustain you until you meet again. Kimmie has brought herself a field..."The kingdom of heaven is like treasure hidden in a field, which a man found and hid; and for joy over it he goes and sells all that he has and buys that field. - Matthew 13:44". Love you...Bernadette Bridges
