“ My heartfelt condolences to Warren and his entire family. Although we have known Kim for a short time at the Office of Community Wealth Building, you have left a lasting imprint in our hearts, You step right in and assisted us with your proficient organizational skill, calm demeanor, exceptional customer service, and take-charge attitude. Your present kept us in line & you were totally in control of our front desk. I wish I could say thank you one more time, have our daily smoothies, or talk about our sons, just one more time, I wish I could hear your laugh in the flesh just one more time. Kim, you will be immensely missed! Warren we are here for you!!!!!! Until we meet again my friend!!!! Rest in Paradise.

“ Dear Warren: My heartfelt sympathy goes out to you and your family on the loss of your Mom. She will always have a special place in my heart. As you know, we spoke just a few weeks ago about her coming to visit me again. When I asked her how you were doing, she was so excited to put you on the phone to tell me about your plans. She blessed my heart so many times by thanking me for helping to raise you. I suppose I'm partly to blame for your being involved in so many activities growing up. We shared many stories about how to raise smart and respectful black boys. Your Mom was so proud of the young man that you have become. I know that you will honor her memory and continue to pursue your dreams. Please stay in touch. Love, Judge Roberts

“ To Warren Hubbard and Family,

I only knew your Mom for a short time. When she started at the Office of Community Wealth Building several months ago we connected from the very start. She believed and felt things very deeply. Her family and closest friends meant everything to her. After the lost of her dad, a very close friend, and cousin all within a month or so passed her faith in God was carrying her through the most difficult of times until her passing. We talked about faith, family, and friendships often.

The day before her passing she and I had lunch and we laughed, and laughed. She even shared that day she loved me and thank God for placing me in her life, and how much she enjoyed working with me.

A new friendship had blossomed. We had even planned to go out to dinner at the end of the work week. I would never have imagined the next morning hearing the news that she had passed. I miss my new friend and wish we could have had more time!

My prayers are with your family and Warren, I 've already said this to you personally but it bears repeating again. Your Mom is so proud of you! I can hear her saying that my son!

God Bless!

“ *Auntie... I know you can't see this, but I miss you so much! You didn't get to meet my daughter, You only saw Travis once. I knew I should've keep calling you when you were on my mind. The day you went home, I had the worst panic attack I've ever had. I knew something was wrong, but I couldn't put my finger on it. Then... I got that call. I'm sorry! I don't even know what I'm sorry for, but I am. I love you so much! Watch over ALL of us! You will be DEEPLY missed. NEVER goodbye, ALWAYS see you later! Until next time beautiful <3.*

“ *Kim was the first parent I connected with at Franklin Military Academy and we were able to revive their dormant PTSA. She was always ready to help in anyway she could, no matter what was going on in her life. Warren was her world and she made sure he knew he was loved every single day. Kim was ready to assist in reviving a dormant Richmond City Council of PTA/PTSA when the lord called her home. Kim I know you were welcomed with open arms and what you heard was "Welcome home my good and faithful servant".
I will carry on the fight in your name....Kimberly....earth is crying but heaven is smiling!!!!*

“ How sad I was to hear about Kimmie and how heavy my heart is. All the good times we shared, from trips to Williamsburg to sitting on my deck sharing laughter and wine. Your dad is waiting at the heavenly gates to receive his baby girl who has received her angel wings. Fly high my friend and know that you can rest easy. Condolences to the family.

“ Shock is my first reaction! Followed by so many memories of fun and laughter with Kimmie! She was always the one to jump in to help others. Her intelligence, caring, and "can do" attitude made her the person she was. I will miss her terribly. I know she has been received into heaven. With so many people "passing" during this time, GOD called her home to help organize, which was one of her great STRENGTHS! Your work on earth is complete my dear friend, enjoy your heavenly rewards!
