“ I am at a loss for words to express my deepest, deepest sorrow for the passing of this beautiful, kind, uplifting woman, She put everyone first and made sure she had a celebration for each and everyone close to her. The world is a darker place without Kisha but she will sure light up heaven. Its hard to imagine a world without her but she lives in each and everyone of her beloved children. To Jay and Kisha's children, may you find comfort and peace in all the wonderful happy memories of her. Peace for all and rest beautifully Kisha.

“ Words can't even explain how I feel right now. You was the social butterfly that could make a dull moment turn into a fun and good moment. Even tho we have been separated for 5 years I appreciated these last 6 months that I was able to talk, laugh, and cry with. You will be truly miss! I love you and Rest Easy until we meet again!
