“ A class act Tim was and I know several would agree. I've know Tim since I was a little girl. He worked in my parents florist for some time and I will never forget him. His talk his walk and everything about him was just original! I laugh to myself thinking about when he came to get his feet done at my shop. Always thinking about fond memories he left us with. Peace to his family, wife and children. Love always Michelle

“ *Deborah, Teka and family,*

My heart felt sympathy goes out to you all. I can truly say Tim Hill helped to mold me into the man i am today. He taught me a lot, in my early days he taught me to drive a stick shift which would later lead to him teaching me to drive a dump truck and that knowledge would lead me to my current career in which i have been in for 23 years. For that i will be forever indebted to him .May the peace of God that surpasses all understanding surround you at this time. Joe Brooks
