“ *Kurtvin was a very dear friend of mine. We worked together for years but we really bonded when our two departments merged and we became almost like work best friends. We enjoyed talking about family, football, craft beer, and all things food. He spoke often about his mother and his brothers and all the trips they took together. I am going to miss him dearly and he will never be forgotten. Love you buddy! Chandra Seidnitzer*

I feel honored to have had the pleasure to work with Kurtvin. Chandra posted an excellent picture of him. He could keep a smile on his face while debating the most technical details. And he was so smart, loved diving into rabbit holes with him. You will be missed Kurtvin.

Just finding out today of Kurtvin's passing. I, too, have worked with him for years at Ferguson. I knew that whenever Kurtvin was involved, we had the very best chance of resolving an issue. He was gifted with a good, wholesome spirit and brilliant mind. We are all the better for having known him. Asking the Lord to do what he promised ... comfort as you mourn.

I'm honored to have worked with Kurtvin and learn from him. Kurtvin was a wealth of knowledge with a sharp eye for detail -- a memorable and talented man who will be dearly missed. May his family and friends find peace.
