“ Dear Family, May you draw comfort from God's word the bible during this most difficult time. It was never Jehovah God's purpose for anyone to die. (Genesis 1:28) Soon Jehovah God will undue all that death has caused. (Job 14:14,15) May you have the utmost confidence in all that Jehovah promises.##imported-begin##Michelle##imported-end##

“ I send my deepest sympathy to the family at this difficult time. Sadly, we all lose so many of our loved ones over time, and it hurts so much that we can't see them anymore. Look to our loving heavenly father for the comfort that you need to help you to endure, and keep searching his word the bible for the answers. His purpose to end all sickness, violence, and death is clearly outlined for us right there in his word, and Isaiah 25:8 lets us know that one day he will swallow up death forever and certainly wipe the tears from all faces. May you recieve much comfort and support from our loving father in the days ahead, and remember that one day our loved ones will hear Jesus's voice and they will come out of the memorial tombs.
