“ I miss My True Friend LaCretia. We met in 1977 and was stationed there until 1979 in Kornwestheim, Germany (Wilkins Barracks) at Headquarters, Headquarters Detachment 385th Military Police Battalion as young soldiers. We called ourselves brother and sister, that means we looked out for each other. A real Genuine Friendship. Our lives took different career paths and we lost touch until 2013 when I found My True Friend through Google Search. We would get together at least once a year and fellowship, her brother Butch would drive her to Henderson NC to "Taste of Soul" restaurant. I came to Richmond for her retirement. LaCretia was a woman with Class, Sophistication who controlled her life and a protector of her family and the people she Loved. She always talked about her family and those Special Grandbabies. When she was battling her cancer she stayed in touch to let me know how her treatments were going until she "Rang the Bell". We would cry, laugh and pray together. She never wanted you to feel sorry for her, because her Trust and Faith was in God. I had left her a text in October 2025 and didn't hear back from her. A few days after the funeral was over is when I heard from Mia, who was checking her phone that I found out My True Friend had gone to be with Lord. It hurt to the core and it still hurts now that MY True Friend who I met many years ago will not be calling, texting and meeting for our annual fellowship again. I will always and forever keep the memories of MY True Friend in my heart. Mia, family and friends we really had a Jewel in our mist for the time The Good Lord gave her to us. My True Friend is resting now until WE all (ones who died in Christ and ones who live in Christ) are caught up in the sky to meet Jesus the Savior for eternity. It has been since October 2025 until now, April 11, 2026, 6 months ago for me make my peace for this post.
