“ Merry Christmas Freda God bless you in heaven your children miss you and need you. I'm praying for them that the good Lord will guide them and help them through your husband loves and misses you. He had a very serious surgery and the children are not very receptive of them Feeling the way they should. But I know God is going to bless them and we will continue to pray for him, but you are loved and you are missed by me and everyone whose life that you touched. God bless you in heaven merry Christmas with Jesus.

“ Happy birthday my dear sister I love you and I miss you. I know things were never perfect, but I don't dwell on that what I do dwell on is that I loved you first and we are always going to be sisters. I know that the Lord is blessing you in heaven, and you're having a wonderful heavenly birthday. I pray that you're with my Mommy and you both be able to celebrate together. With Jesus, your children miss you your husband misses you and it's hard for them especially Kayla to live without you but I know that you can't do anything I'm asking to let them feel your presence to him and that he will comfort them to keep them and help straighten out the life of each of them and bring them closer together and love them to family I love you my dear sister God has already blessed you, so I don't have to say that but blessed birthday to you in heaven with Jesus, this is Gaynell
