“ Hari Om Namō Narayana, Om Namō Narayana!

Dear God, Thank you for your mercy. Please help my brother as he departs this world.

Bless his family in their grief to find comfort in the memories that he leaves behind.

Dear Brother, You will not call me this year to wish me well for the holidays. I will not get the chance to wish you well in return. I waited these weeks to hear your voice again, but you're gone. You have left us. Say hello to Pa, Ma, Rick, Prad and those that wait to greet you. Prad was always the first to visit my home during the holidays. You were always among the first to call me every holiday. I especially missed those times and now, I will miss you too, very, very much!

*Love and God's speed!
