“ Lamar, I love you and miss you. I know you are smiling at us from heaven with that loving smile of yours. I remember when you were born so beautiful. When we brought you home. All the love you gave to us as a child growing up. We nicknamed you Egbert when you were in your mother's womb. What a special person you are! Watching your first steps running across your playpen. So much joy. I look at your pictures often. So precious. Heaven has has a gifted angel. Although I miss you, I know that you are greatly loved by our Heavenly Father and he is embracing you right now. We will see you again in His heavenly kingdom. Love, hugs and big kisses. - Lenae
