“ Monty was a sweet and kind person. I known him at mervo and he was so energetic. I just want to say that I think that his mother and grandmother did a terrific job while raising and I just want to add that death is no one's best friend. It is such a hard time losing a close loved one. In the midst of this God is still in control and he doesn't make any mistake. I want you to know that my prayers are with you be strong Monty is looking down on all of us. Bye for now.##imported-begin##Kay##imported-end##
