“ There are so Many Memories of Always Laughing With My Brother. I think I Am Going to Miss His Laugh The Most. Especially when He was Laughing at His Own Take On Whatever We All Had Going On in Our Life. My Brother had this way of making it all sound so funny. He was Respectful To His Elders&Always Looking Out for The Ones He Loved. The discipline He had about going to bed early to get up early for work was something I always admired about him. I dont think I will ever be able to watch a Football/Basketball Game without Thinking About You Lil Brother. There is So Many Things I wish We Could Do together & So Many Memorable Moments that I am Grateful We Had. Ooh I Miss You So Much Already but I take comfort in knowing You Are At Peace!  
Love Your Big Sis LaToya
