Lantrashia Monique Mayo was born on August 16, 1979 in Richmond, Virginia to the late, Dorothy Elizabeth Mayo and Alton Maurice Smallwood. She was preceded in death by her son, Amontae Mayo.

She attended Armstrong High School where she received her high school diploma.

She leaves behind three siblings, Jynes, Brian and Zychelia. She had two best friends, Nikia Jones and Tyrone Scott. They were her childhood friends she grew up with. She welcomed her first born son into the world Amontae whose in heaven watching over them. Later, she welcomed two more handsome sons, Jori and Jermontae who she loved so much. She called them her "fat daddy's". She wanted the best for her boy's. She was an outstanding mother to them. She worked at the United States Postal Service. She made sure she provided for her boy's. They had everything they wanted in, return

they made their mom proud by continuing to be straight “A” students.

Her personality was so amazing, if you had met her you would have loved her. She was an outgoing person. She loved to tell her stories to people that would make you laugh. She loved to have fun and she always put a smile on your face. She always said “Hey ole lady”. she loved telling people that. She was the sweetest most humble woman that we knew and loved.

Lantrashia’s life changed on October 25, 2020 when she started having heart complications until the Lord decided to call her home on April 26, 2024. We now have gained another Angel with our Mother, Father and her son. Four angels together that are watching over all of us.

She leaves to cherish her memory; two sons, Jori Mayo, Jermontae Mayo; three siblings, Jynes “Fredderick” Martin, Brian Smallwood and Zychelia Mayo; one nephew, Anthony Mayo; two nieces, Jaiona Martin and Tyahna Hazelwood; and one devoted friend, Robert Gray; and a host of cousins, other relatives and friends.

This is the second hardest thing I've had todo, in my life time & that is loosing a sibling. Memories overflow in my mind like when I had to do you and Teasie's hair/ make sure that we were ready for school the next day to help ma& dad out. to when we use all be outside, our hole little circle when we lost power after a really bad storm. To the in house dance offs that we use to have to people even thinking that you nephew being your son. To growing into our adult hood. You and Teasie were thick as thieves and I know how bad she hurting and missing you and Ma. We are all missing you... I will do my best to do my part with taking care of your boys & being their for Teasie, Brian and our mom's and dad's legacy alive... Until we meet again our beloved sister.... I love you Moe.....
