“ To the family of "Lil L",

*Our hearts and prayers go out to each of you. God is the knower of all things. He is the director of the process of life and living. He is and was the beginning and the end of L's short, yet love-filled life for all dear to him who crossed his path. I pray that you open yourselves to receive divine understanding of how to accept this loss. I pray you will surrender all the "whys" to Him. I pray and call forth the peace-filled, comforting presence and power of the spirit of God. Hold dear to the loving-kindness that was and through each of you continues to be the light of hope for brighter tomorrows as impressions of Larnell's love for his family now begins to live through you. his salvation has blessed him with blessed assuredness of " a job well done" here on earth.*

*Much love and prayer,  
Eva Taylor and family*
