“ I am sorry to learn of the death of Larry. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it. But not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..That it is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ Oh, Old Man Larry, We are all missing you down here. I missed you the whole summer. Not seeing you walk into my yard trying to play basketball with Tae. I miss you calling asking for Pete(Donta)and then going on telling me all about whats going on with you. I know that you are looking down on us smiling, telling me to stay on Donta. We love you and miss you more than any one could know.##imported-begin##Angola (Daughter In Law)##imported-end##
