

Larry G. Petty Jr.

May 21, 1986 - September 17, 2011

Larry Grachette Petty, Jr., was born May 21, 1986, to Delphene Buie and Larry Petty Sr. in Sanford, NC. He departed this life unexpectedly on September 17, 2011.

Larry received his education in the Anne Arundel County Public School System, where he went to Ft. Meade Senior High. As a freshman at Meade, Virginia Tech wanted to recruit him for his extraordinary stature and football skills. He also received the "Who's Among High School Students of American" being chosen to be on the Young leaders of American board in Washington DC, Larry completed his high school education at North County High School.

Larry gave his life to Christ at an early age, he was baptized by Dr. Lunn in 1994. Within the least three years, Larry was practicing the Muslin religion.

Larry was employed by Labor Finders, and until his premature death, he was a Security Guard at Brooklyn Inn.

Larry was always known for his comic relief. If he was not making others laugh, he was helping someone. There was never a person he met that if they did not have, he was always making sure they had something to eat, he would either buy it for them or take them home for a hot meal. He was preceded in death by his grandparents, Ora Blue and Delphuse Brooks; three Great-Aunts, Dorothy Morris, Rudy, and Law Sue; one Aunt, Gwen Buie; one sister, Carmolita Petty; one Cousin, Shawntavion Barnes.

“ Hello my love! I am at your house watching your little sisters for your mom while she handles you guys business. Its crazy because since I have been here I have not cried once, except while writing this, which is crazy because at home I cry everyday. I took the kids to the zoo today and Shia made a wish to have her daddy back. Ahhhhhhhh omg what I would do to have you back. You are sooooo missed. I LOVE YOU LARRY PETTY ALWAYS, FOREVER, AND A DAY!!!!

“ *Its starting to get easier and I notice I am crying less but Lord knows I miss you sooooo much its killing me. We went to the zoo and Shia through a coin in the pond, when I told her to make a wish she said "I love you and I miss you Daddy everyday muah." I still can't accept the fact that we will never see you again here on earth and I don't know if I ever can. Sometime I just want to scream out to you till either my damn head explodes or you answer me. Your daughter and I love and miss you sooo much baby. Till we see each other again know that we carry you in our heart always.*

“ *As I watch Shia sit here playing I get sad for her b/c I know how much she misses you. She wants nothing more than to have her daddy back. She tell me all the time how she just wants her daddy to come home. Shia kisses almost every picuture she sees of you. I wish she would have gotten to see you before you passed. I wish she didn't have to lose her daddy at 3yrs old. I am sorry you are gone but know that you are missed every single day by everyone, especially one little girl who stilll sings "Hey Lil Mama, tell me what you doing?".*

“ I found your card the other day and it brought down so many tears I thought I might drown. I have went over and over this mess that you have accidently left behind. I know that you and I loved each other dearly so I will always hold on to that. I will hold to our family until we meet again. Our daughter asks about you every day and I tell her Daddy loves his Lil Momma. Please help me help her to understand that her Daddy will never truely leave his favorite girl in the whole wide world. I found your birth certificate as well I want you to know that I plan on making a gift out of it for your mama. Larry its hard to let go of what could have been. Its hard to let go of the family we were suppose to have. I am sorry that we never got to be the family that you last told me you always wanted us to be. I keep hearing those words that you last said to me asking me what I wanted to do about our family. I am so sorry I didnt come home in time to prevent this mess. We miss your smile, your laughter, your looks, your everything. Life feels so empty without you here to make us smile and keep us safe. I dont know why things ended the way that they did but I know that we will see each other again. Until I see you in heaven my love I will carry you in my heart and my thoughts always.

“ it is very unfortunate to see the loss of a loved one. please take comfort from the promises found in God's word the Bible. although simply reading cannot take away the the full pain of death, please remember that the Bible has power that can reach deep inside of us as we learn at hebrews4:12. at revelation 21:3,4 Jehovah God promises and end to our tears, our pain, our outcries and even to and end to death-which in turn means resurrection for those that have died and everlasting life for those of us that are living(john 11:25, john 17:3)please read and reread these scriptures during times of deep sadness and the God of all comfort will help you through them
