On Tuesday, June 16, 2009, God looked down from Heaven and picked from his garden his beloved son Larry Ricardo Riddick. The youngest of six children, he was born January 22, 1958 to the late Colin "Hambone" Smith and Josephine Kelley-Riddick. In addition, his stepfather, the late McDonald Riddick, also raised him. “ *(2 CORINTHIANS 12:9-10) And he said unto me, My grace is sufficient for thee; for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me. Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distress for Christ's sake; for when I am weak, then I am strong. God calls each of us to make certain sacrifices that always involve a risk, even though it may differ from person to person. God speaks to the crowd, but His call comes to the individual, and through their personal obedience He acts. He does not promise them success, or even final victory in this life. The goal to which He commits them is in heaven. God does not always promise that He will protect them from trials, from material cares, from sickness, from physical or moral suffering. He promises only that He will be with them in all these trials, and that He will sustain them if they remain faithful to him. We earnestly pray for the entire Riddick family, that God in His all knowing power shall comfort you in your hour of sorrow, ease the pain of your loss, and wipe all tears from your eyes. Be encouraged, and the Lord will strengthen your hearts. Elder Derrick L. Peterson, Sr.##imported-begin##Elder Derrick L. Peterson, Sr.##imported-end##*

“ I would like to convey my sincere condolences for the loss of your loved one. We all look forward to the time when Jehovah God will wipe out every tear from our eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore (Rev.21:4). May you find solace in the God of all comfort and he will sustain you during this difficult time (2Cor1:3-4; Psalm55:22).##imported-begin##C. Murphy##imported-end##
