“ Constance, you have my deepest sympathy for the lost of your brother. They say that we would not feel what you are going through. I just want to let you know that I've been there also. Sometime mere words just aren't enough to take away our grief. So we have to rely on God for help and strength in our belief. May he uplift you gently, take the sorrow that you may bear, then comfort you with healing in the safety of his care.
