“ *Candy was such a genuine and fun person. I grew up with her and the memories we had were nothing short of amazing. I pray that God will continue to watch over her husband and her girls. Praying for comfort to every that knew and loved her.*

“ To the family of Candi,

*I am so sorry for the loss of this beautiful soul. I grew up in the same neighborhood as Candi and I don't have many childhood memories that don't involve her in some way. Our childhood and teenage years were filled with laughter and adventures. She was one of a kind and will be missed.*

*Praying for your family.*

REST IN PEACE CANDI LOVE DEBRA

“ I love you Candi and I will forever carry your memory until we meet up on the other side. I'm gonna miss everything about you. We've been thru thick and thin and came out laughing. I'm definitely gonna miss "chy" lol. Noone can say chy like you. I'll miss all of our little silly messages back and forth and tik tok, that was your shot, hehe. I'm definitely gonna miss splurging on Amazon together, always buying something, whether we needed it or not. I could go on and on about us. This is definitely very heartbreaking. We were supposed to grow old together and get us a Kia Soul and go to the bank every day, lol. Our own personal joke (smile). I love you now and always ❤️ ❤️❤️❤️❤️❤️❤️❤️❤️❤️. Words cannot express how deeply saddened I am .

“ *To: Vic, Victajé, Teanna & Williamson family please accept my deepest of condolences 🙏. My prayer is that you all will remember her most precious smile (which is truly shown through her girls). Be confident that she only sleeps but for a little while. I will personally be reaching out to you all. I also plead the blood of Jesus over each of you, that God, his angels and Holy Spirit will direct each of your paths & give you full clarity on your purpose, but most importantly give each of you comfort and true confidence that your loved one is alive in spirit and "yes," we will all see (Candy, your mom, loved one) again.*

*Love each of you,*
