“ To my Beloved Sister God looked around his garden and found an empty place. He then looked down upon this Earth and sad your tired face. He put his arms around you and lifted you to rest. God’s garden must be beautiful he always takes the best. He knew that you were suffering he knew you were in. Pain he knew that you would never get well on earth again. He saw the road was getting rough and the hills was getting and the hills were getting hard to climb, so he closed your weary eyelids, and whispered “Peace be thine”. It broke our hearts to lose you but you didn’t go alone, for part of us went with you, The day God called you home. Rest In Peace my Darling Sister.
