*My condolences to the family of Latonya Patterson. I was saddened to hear of her passing, I worked with her and I knew that she was fighting a courageous battle with cancer. She was so strong and brave, those were some of her attributes that I so admired. Rest in paradise my friend, you will be surely missed.*

“ I just found out that LaTonya passed. She and I worked together at the Virginia House of Delegates about a million years ago. She taught me so much about caring and kindness. She was a beautiful person and I know she loved her babies more than anything. Diamon and D'juan, you were already on the scene when I met your mom. D'juan, you were just a baby. Diamon, you were such a joy to her. Lil' Chris, I knew you from just about the minute you were born. Make your mom proud.
